# **SERVICES AND FEES**

## **LENDING AND OTHER NON-DEPOSIT PRODUCTS AND SERVICES**

**Updated: December 31, 2024**

---

Icon Business Bank offers flexible guidelines on a variety of lending products for individuals and businesses. Each loan is considered on its own merit and extensions of credit are based on credit worthiness in conformity with safe and sound banking practices.

Icon Business Bank is prepared to provide the following financial services to qualified consumers, businesses, and professionals:

- Commercial and Industrial Loans
- Asset-Based Lending (ABL) Loans
- Real Estate Loans
- Small Business Administration Loans
- Consumer Loans
- Indirect Auto Loans: Icon Business Bank purchases, from time to time, vehicle retail installment contracts originated by third parties.

**BUSINESS PRODUCT INFORMATION SHEET**

Account Type	Rate Information	Account Fees and Charges	Rate Balance Information	Limitations
SIMPLE BUSINESS CHECKING	N/A	<b>Fees:</b> *25 Free Checks/Debits per month. After that \$0.25 per check/debit (including ACH) *50 Free Deposited items per month. After that \$0.15 per check deposited *10 Free Deposits/Credits (including ACH) per month. After that \$1.25 per deposit/credit tickets <b>Minimum balance to avoid imposition of fees</b> - A service charge fee of \$15.00 will be imposed each monthly statement cycle if the average daily balance for the monthly statement cycle falls below \$2,500.00. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. Please refer to the separate fee schedule provided to you for information about other fees and charges associated with this account. A fee schedule will be provided to you at the time you open the account, periodically when fees or charges change, and upon request.	N/A	<b>Minimum balance to open the account</b> - You must deposit \$1,000.00 to open this account.
BUSINESS MONEY MARKET	<b>Rate Information</b> - Your interest rate and annual percentage yield may change. <b>Frequency of rate changes</b> - We may change the interest rate on your account at any time. <b>Determination of rate</b> - At our discretion, we may change the interest rate on your account. <b>Compounding and crediting frequency</b> - Interest will be compounded every day. Interest will be credited to your account every month. <b>Average Daily balance computation method</b> - We use the average daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. <b>Accrual of interest on noncash deposits</b> - Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).	<b>Minimum balance to avoid imposition of fees</b> - A service charge fee of \$20.00 will be imposed each monthly statement cycle if the average daily balance for the monthly statement cycle falls below \$5,000.00. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. Please refer to the separate fee schedule provided to you for information about fees and charges associated with this account. A fee schedule will be provided to you at the time you open the account, periodically when fees or charges change, and upon request.	<b>Account Rates and Fees</b> - This account pays on a tiered rate as follows: \$0 to \$49,999.99 \$50,000 to \$249,999.99 \$250,000 to \$499,999.99 \$500,000 to \$999,999.99 \$1,000,000+ You must maintain a minimum daily balance of \$1.00 in the account each day to obtain the disclosed annual percentage yield. Please see the separate rate sheet for more information.	<b>Minimum balance to open the account</b> - You must deposit \$5,000.00 to open this account.
ANALYSIS BUSINESS CHECKING	<b>Earnings Credit</b> - This account features an earnings credit which is applied to reduce or eliminate fees on the account. If the earnings credit exceeds the fees for any period, you will be assessed no fees but you will not be paid, carry forward or otherwise receive credit for any excess earnings credit. <b>Earnings Credit Calculation</b> - The earnings credit will be calculated by applying the daily periodic earnings credit rate to the positive average balance, less float, in the account each day of the period. At our discretion, the daily periodic earnings credit rate may change at any time. The earnings credit will be calculated and applied against fees incurred for the monthly statement cycle. <b>Accrual of earnings credit on noncash deposits</b> - Earnings credit begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).	Charges to this account are based on the offset of services rendered by the account earnings credits for the month.  <b>Please see the Account Analysis Charges brochure for details.</b>	N/A	<b>Minimum balance to open the account</b> - You must deposit \$1,000.00 to open this account.

# **COMMUNITY REINVESTMENT ACT STRATEGIC PLAN**

## I. IDENTIFY THE ASSESSMENT SERVICE AREA(S) ACCORDING TO THE CRA REGULATIONS.

### a. **Assessment Service Area**

The Board of Directors of Icon Business Bank (the "**Bank**") recognize their obligation to help meet the credit needs of their community, consistent with the safe and sound banking operations. For the purpose of Community Reinvestment Act (CRA) assessment, the Bank's Assessment Service Area (ASA) will be the following metropolitan division (MD) and metropolitan statistical areas (MSAs) in California:

- Anaheim-Santa Ana-Irvine, CA MD #11244 (Orange County)
- Riverside-San Bernardino-Ontario, CA MSA #40140 (Riverside and San Bernardino counties)

### b. **Assessment Service Area Maps**

The maps contained in this section illustrate the Bank's ASA. The selection of the above MD/MSAs as the Bank's ASA conforms to the following criteria:

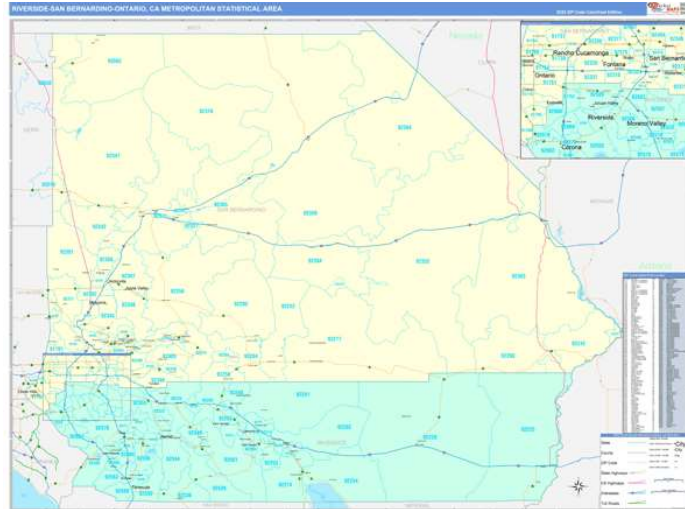

- Consists of one or more contiguous political subdivisions
- Includes the geographies in which the Bank will have its main office (Columbus)
- Consists of whole census tracts
- Does not reflect illegal discrimination
- Does not arbitrarily exclude low- or moderate-income areas
- Does not extend beyond a CMSA boundary or state boundary

The Bank reserves the right to lend outside its ASA. In such cases, these lending activities would not constitute an expansion of the ASA.

#### i. **Riverside-San Bernardino-Ontario Metropolitan Statistical Area**

The Riverside-San Bernardino-Ontario Metropolitan Statistical Area (MSA), located in Southern California, is a diverse and rapidly growing region that includes Riverside and San Bernardino Counties. It is characterized by a significant small business presence, with industries such as logistics, healthcare, retail, and manufacturing playing vital roles in the local economy. The area's business landscape is supported by a mix of micro-businesses and larger enterprises, reflecting a dynamic entrepreneurial ecosystem.

Household income levels in the MSA vary widely, with a significant proportion of low- to moderate-income households, particularly in urban and underserved areas. Median household income in the region generally falls below the California state average, creating economic challenges for many residents. However, some suburban communities in the MSA exhibit higher income levels, reflecting a degree of economic stratification. This economic diversity underscores the importance of tailored financial services and credit availability to support both small businesses and households across the income spectrum.

ii. **Anaheim-Santa Ana-Irvine, CA Metro Division**

The Anaheim-Santa Ana-Irvine Metropolitan District, part of Orange County in Southern California, is a thriving economic region with a strong presence of small businesses, particularly in industries such as technology, healthcare, tourism, retail, and professional services. The area benefits from its proximity to major economic hubs and a highly skilled workforce, fostering a vibrant entrepreneurial environment.

Household income levels in the district reflect a broad range, with many affluent communities alongside pockets of low- to moderate-income households, particularly in more urbanized areas. The median household income in this district is generally higher than the state average, though the high cost of living creates financial challenges for some residents. The economic and demographic diversity of the region highlights the need for accessible financial services and credit solutions tailored to support small businesses and households across varying income levels.

## II. SUMMARIZE THE PERFORMANCE CONTEXT FOR THE INSTITUTION BASED ON THE FACTORS DISCUSSED IN THE CRA REGULATIONS.

### a. Performance Context

The Bank expects that it will be evaluated by the FDIC under the “small bank” performance standard, as long as its assets are below the “small bank” asset thresholds set by federal bank regulatory agencies. The primary performance measures are expected to be:

- loan to deposit ratio,
  - percentage of loans in the Assessment Service Area,
  - lending to businesses of different sizes and to borrowers of different income levels,
  - the distribution of lending among geographies of different income levels, and
  - the Bank’s record of actions, if warranted, in response to written complaints about its CRA performance.
- i. Demographic data on median income levels, distribution of household income, nature of housing stock, housing costs, and other relevant data pertaining to a bank’s Assessment Service Area.

The 2024 FFIEC estimated MSA/MD median Family Income for the Riverside-San Bernardino-Ontario Metropolitan Statistical Area and for the Anaheim-Santa Ana-Irvine, CA Metro Division was \$97,500 and \$129,000, respectively. There are a total of 1,598 census tracts within the Bank’s ASA, of which 511 tracts or 31.98% are Low- or Moderate-Income (“LMI”) tracts.

The following tables provide summary demographic, housing and income data for the ASA by census tracts income levels, as provided by the FFIEC.

	<b>31.98%</b>	<b>31.60%</b>	<b>30.10%</b>	<b>30.18%</b>	<b>22.47%</b>	

As seen above, based on FFIEC's MSA/MD data, the three counties representing the Bank's ASA have a combined population of 7.79 million residents. Total population in the LMI tracts is 2.5 million or 31.6% of the ASA's total population, closely corresponding to the LMI census tract distribution.

There are approximately 2.4 million households and 2.7 million housing units in the ASA, with nearly 30.18% of each in the LMI census tracts, a slightly lower percentage than the LMI census tract distribution in the ASA. Close to 55.4% of the total housing units in the ASA are owner-occupied. Owner-occupancy ratio is somewhat lower in the LMI census tracts at 41.2%.

## Distribution of household income

California - Based on US Census data, the 2019 median household income for Orange County was 19% higher than that of California, while the medians for the Riverside and San Bernardino counties were 9% to 16% below the state's median. Below is the distribution of households in the Bank's California ASA among select income brackets. The aggregate of the three counties' household income distribution among those income brackets was relatively similar to the state's breakdown.

	Orange County	Riverside County	San Bernardino County	Aggregate CA Counties	California

## Business Distribution

The Bank plans to meet its community reinvestment goals primarily by loans to small businesses with revenues of less than \$1 million, and businesses in the ASA's low- and moderate-income areas.

Overall, there are nearly 686,000 businesses in the Bank's ASA, of which 87% have gross annual revenues of \$1 million or less. In total, 26.7% of the businesses in the Bank's ASA are in the LMI census tracts. The following tables summarize the breakdown of such businesses based on data provided in the CRA evaluation of locally-based community banks.

- b. Any information about lending, investment, and service opportunities in the bank’s Assessment Service Area(s) maintained by the bank or obtained from community organizations, state, local, and tribal governments, economic development agencies, or other sources;**

The Assessment Service Area has a diverse and growing economy, solid population growth, an abundance of prospective clients, an expanding deposit base and a favorable competitive landscape, providing the bank with ample lending, investment, and service opportunities.

- i. Diverse and growing economy:
  - (a) With an economic gross metropolitan product of more than \$1 trillion in 2020, the LA-Orange County metropolitan area ranks second among the nation’s 384 metropolitan economies<sup>1</sup>.
  - (b) The Inland Empire is the fastest-growing economy in Southern California. Inland Empire is no longer a “bedroom community” to Orange and Los Angeles counties as the area offers better opportunity for jobs and homeownership than other Southern California communities.
- ii. Solid population growth:
  - (a) Population in Orange County has increased by 4.8% over the last decade to a total of 3.2 million as of January 2021<sup>2</sup>.

<sup>1</sup> Source: U.S. Metro Economies 2020 report prepared for the U.S. Conference of Mayors

<sup>2</sup> Source: California Department of Finance

- (b) Riverside County population has increased by 12.1% over the last decade to a total of 2.5 million as of January 2021<sup>6</sup>.
- iii. Abundance of prospective clients:
  - (a) Number of businesses in Orange County has increased by 27.4% over the last decade to more than 129 thousand as of the third quarter of 2020<sup>3</sup>.
  - (b) The number of businesses in Riverside County has increased by 49.3% over the last decade to more than 71 thousand as of the third quarter of 2020.
- iv. Expanding deposit base<sup>4</sup>:
  - (a) Orange County's deposits have more than doubled, growing from \$74.2 billion in 2010 to \$153.6 billion in 2020.
  - (b) Total deposits in Riverside County have increased by 68% over the last decade, from \$20.3 billion in 2010 to \$34.1 billion in 2020.
- v. Attractive competitive opportunity due to continued banking industry consolidation:
  - (a) Over the last decade, mergers and acquisitions have resulted in a 32% reduction in the number of Orange County-based banks from a total of 25 at the end of 2010 to 17 currently.
  - (b) Large commercial banks continue to dominate the Orange County's deposit market share with the top five institutions holding 59% of total deposits in the county. This concentration provides an opportunity for a locally-based service-oriented bank to capture market share.
  - (c) The consolidation trend is even more pronounced in Riverside County with a 92% drop in the number of local banks from a total of 12 in 2007, to only 1 currently.

The Board of Directors are committed to establishing a bank that supports the needs of the local business community and fosters economic growth. Under the Board's direction, the Bank's management will develop, implement, and evaluate ways to meet the credit needs of the community, including the provision of banking services to LMI neighborhoods within the Bank's ASA. The Bank will provide financing to small businesses, to minority-owned and women-owned businesses, as well as to viable projects that support non-profit and civic organizations.

The Bank's directors and officers have significant ties to the community, especially through involvement with non-profit and other community organizations. The Bank's senior management will participate with organizations that focus on the needs of the community, notably the small business community, within the Bank's market area. Through this involvement, senior management will assess various means of meeting the community's need for credit and banking services.

<sup>3</sup> Source: California Employment Development Department

<sup>4</sup> Source: Federal Deposit Insurance Corporation

**c. The bank's product offerings and business strategy as determined from data provided by the bank;**

As a commercial bank, the Bank will be focused on providing a wide range of traditional banking products and services including loans, deposits, treasury and cash management products and services to small and mid-sized businesses, business owners, professionals, and commercial real estate owners and investors, primarily in Orange and Riverside/San Bernardino counties in California. The Bank also plans to serve the banking needs of the consumers in the markets it serves.

In addition to products and services described in the "Marketing Plan (Product and Services)" section of the Confidential Business Plan, the Bank may offer reduced fee small business loans and lines of credit, analyzed small business checking accounts, lower cost letters of credit to support trade activities and other products designed to assist small business customers. Loans will be available to qualified borrowers without regard to age, sex, race, national origin of the owner.

The Bank will seek to achieve its community reinvestment goals through extending loans to businesses with gross annual revenue of less than or equal to \$1 million; loans to businesses and individuals in the LMI Census tracts; loans to minority-owned and women-owned businesses; loans on multi-family properties within the LMI census tracts; and viable projects for non-profit and charitable organizations.

The Bank also intends to purchase portfolios of indirect auto loans. These loans will be included in the overall assessment of CRA performance. Although the identified partner for these loans does lend in several areas, including California, Arizona and Utah, the Bank intends to purchase loans made within its identified Assessment Service Areas as long as they meet the credit criteria.

Although initially the Bank will not be examined as an "intermediate small bank" and will therefore not be subject to the community development test, the Bank will still focus on community development loans. The Bank may participate in community development loans originated by larger institution if such loans benefit the neighborhoods within the Bank's local community. The Bank may also consider originating or participating in the financing of local government and government agency-sponsored programs to assist the needs of low- and moderate-income sectors of the County. The Bank will participate in the SBA program by originating SBA 504 loans which would be considered community development loans. All community development loans will be made in conformance with the Bank's underwriting standards.

**d. Institutional capacity and constraints, including the size and financial condition of the bank, the economic climate (national, regional, and local), safety and soundness limitations, and any other factors that significantly affect the bank's ability to provide lending, investments, or services in its Assessment Service Area(s);**

The Bank's ability to provide lending, investments, or services in its ASA could be impacted by many factors, including its future financial condition and size, resource constraints, legal impediments, and local economic conditions that could affect the demand and supply of credit. In general, however, the current strong and growing economy of the Bank's ASA, growth in the ASA's population and businesses, and reduction in the number of local banks present a favorable environment for the establishment of a bank dedicated to meeting the banking needs of small businesses in the local community.

The Bank's capitalization of \$25 million is deemed sufficient for meeting the banking needs of its target customers and provides an adequate cushion against potential future impediments to the Bank's ability to serve its ASA.

Please refer to the "Economic Component" section of the Confidential Business Plan for more detailed information on the economic climate.

- e. **The bank's past performance and the performance of similarly situated lenders;**
- f. **The bank's public file, as described in § 345.43, and any written comments about the bank's CRA performance submitted to the bank or the FDIC; and**
- g. **Any information deemed relevant by the FDIC.**

### III. SUMMARIZE THE CREDIT NEEDS OF THE INSTITUTION'S ASSESSMENT SERVICE AREA(S).

#### a. **Credit Needs**

The credit needs of the Bank's ASA include loans to small businesses and to minority-owned and women-owned businesses lacking access to capital; loans to businesses seeking to expand their current operations, add to inventories, and finance their real estate needs; affordable housing loans, especially those in the LMI areas of the County; and financial education for small business owners.

The Bank's operating strategy is to offer banking services to individuals, small and medium-sized businesses, business professionals, as well as real estate developers. The Bank's directors and management are involved with organizations that focus on the needs of the community, notably those of small businesses within the Bank's market area. Through these associations, the officers and directors have developed a keen insight and understanding as to the credit and business advisory needs of small business owners. The management team plans to implement a business strategy of fostering the success of small business clients through the provision of relevant banking products and services, as well as access to business advice.

Directors and senior officers will be encouraged to meet with such organizations as merchants' associations, religious organizations, government officials, neighborhood organizations, cooperatives, housing authorities, civil rights, consumer and minority organizations, and other similar organizations. Meeting with such local organizations will allow Bank management to communicate with local officials and be informed of credit and banking gaps within the local community.

On an ongoing basis, the Bank's management and Board of Directors will monitor and assess the effectiveness of the Bank's lending programs in meeting the credit needs of the local community. As required by banking regulations, the Bank will examine the economic composition and credit needs of the local community. This research will allow the Bank to meet the community credit needs consistent with safe and sound banking practices.

To ensure that the Bank meets its responsibility to the community, management will report to the Board of Directors on CRA issues. These reports will identify efforts taken by management to ascertain and meet the credit needs of the community and review public comments received about the availability of credit pursuant to the Community Reinvestment Act statement. When signed public comments are received about the availability of credit or about the CRA statement, the Board will encourage management to review and respond.

IV. **IDENTIFY THE CRA EVALUATION TEST UNDER WHICH THE INSTITUTION PROPOSES TO BE ASSESSED.**

a. **CRA Evaluation Test**

For CRA purposes, the Bank anticipates that it will be evaluated under the “small bank” performance standards, as described under 12 CFR, Section 345, notably 345.26 (a), “small bank” performance standards. Accordingly, the Bank will be evaluated by the FDIC, pursuant to its CRA performance relative to the following criteria:

- i. The Bank’s loan-to-deposit ratio adjusted for seasonal variation and, as appropriate, other lending-related activities such as loan originations for sale to the secondary markets, community development loans or qualified investments;
- ii. The percentage of loans and other lending-related activities located in the Bank’s Assessment Service Area;
- iii. The Bank’s record of lending to and, as appropriate, engaging in other lending-related activities for borrowers of different income levels and businesses and farms of different sizes;
- iv. The distribution of lending among geographies of different income levels; and
- v. The Bank’s record of taking action, if warranted, in response to written complaints about its performance in helping to meet credit needs in its Assessment Service Area.

V. **DISCUSS THE INSTITUTION’S PROGRAMS, PRODUCTS, AND ACTIVITIES THAT WILL HELP MEET THE EXISTING OR ANTICIPATED NEEDS OF ITS COMMUNITY(IES) UNDER THE APPLICABLE CRITERIA OF THE CRA REGULATION, INCLUDING THE NEEDS OF LOW- AND MODERATE-INCOME GEOGRAPHIES AND INDIVIDUALS.**

a. **CRA Programs**

The directors of the Bank are committed to the establishment of a Bank that meets the banking needs of the business community and fosters the economic development of the community. Management has many years of banking experience and knows the importance of supporting banking needs throughout the community, especially low- and moderate-income areas. Under the guidance of the CEO, Chief Credit Officer, the Chief Risk/Operations Officer and Chief Financial Officer, the Bank will develop a CRA program to ensure that its CRA performance is rated as at least “Satisfactory” by the regulators.

The Bank’s CRA program will primarily consist of lending to businesses with less than \$1 million in revenue in line with the percentage of such businesses with the ASA, serving the banking needs of businesses and providing multi-family loans within the LMI census tracts in line with the distribution of businesses and multi-family housing units in those census tracts, and providing financing to woman- and minority-owned businesses. The Bank may also participate in community development loans that have been originated by a larger institution, such as loans to address affordable housing needs, if such loans benefit the LMI neighborhoods in the Bank’s ASA. If feasible, the Bank will evaluate the extension of

loans to businesses that qualify for equity or debt issued by Minority Enterprise Small Business Investment Corporations.

Although not required as part of the “small bank” CRA requirement, the Bank may also engage in qualified community development activities such as making qualifying investments and making qualifying loans, while applying safe and sound lending practices. The Bank may invest into a Community Development Corporation (“CDC”) that conducts lending activities located in the Bank’s Assessment Service Area. In such cases, the Bank will ensure that funds invested into a CDC are directed or used specifically to assist the needs of low- or moderate-income communities within the ASA.

Management will participate in organizations that focus on the civic, community or social needs in the Bank’s market area. Through public outreach, involvement with community and civic activities, and input from the local community, the Bank will seek feedback on its efforts to support the community. The directors will monitor the Bank’s programs to ensure that the Bank is meeting the needs of its local community.

## **b. CRA Oversight**

The Bank’s Enterprise Risk Management (“ERM”)/Compliance Committee will be responsible for overseeing CRA compliance, among other duties. As part of the CRA oversight, the ERM/Compliance Committee will review matters related to community development services, establish goals in the provision of CRA-related banking services, assess the effectiveness of programs based upon these CRA goals, and designate a CRA Officer. The Chief Risk/Operations Officer will serve as the CRA Officer and will report directly to the CEO and the Board (Audit Committee) regarding CRA matters. An annual self-assessment of CRA performance will be presented to the full Board.

The CRA review will assess the Bank’s lending performance to ensure that the Bank is rated as at least “Satisfactory” by the regulators. To assist in the establishment and evaluation of the Bank’s performance under CRA, the Bank will accumulate and analyze information about both the Bank and its Assessment Service Area. Such information includes an overview of the demographics of the Bank’s ASA, the lending opportunities within the ASA, and information regarding the product offerings of the Bank.

At least annually, the ERM/Compliance Committee will analyze and submit for full Board review the delineation of the Bank’s CRA Assessment Service Area, as well as the Bank’s CRA policy. The Committee will assess the Bank’s lending activities within its designated ASA based upon such criteria as the Bank’s loan-to-deposit ratio; its percentage of lending within the ASA; the geographic distribution of loans in the Assessment Service Area, the Bank’s investment in the Assessment Service Area, and its record of responding to written complaints.

The CRA Officer will interface with the FDIC and assemble data for the CRA assessment reports. The CRA Officer will maintain and ensure the integrity of the CRA Public File and CRA Public Notice. The CRA Officer will submit to the ERM/Compliance Committee any recommendations for staff and Board training related to CRA and associated issues.

All Bank personnel are expected to know that the public may view and/or receive copies of all materials contained in the Public File maintained by the Bank. Additionally, the public is entitled to view and/or receive copies of various other materials contained in the more extensive Public File maintained by the CRA Officer.

Following is the Bank’s Community Reinvestment Act Notice:

## COMMUNITY REINVESTMENT ACT NOTICE

Under the federal Community Reinvestment Act (CRA), the Federal Deposit Insurance Corporation (FDIC) evaluates our record of helping to meet the credit needs of this community consistent with safe and sound operations. The FDIC also takes this record into account when deciding on certain applications submitted by us.

Your involvement is encouraged.

You are entitled to certain information about our operations and our performance under the CRA, including, for example, information about our branches, such as their location and services provided at them; the public section of our most recent CRA Performance Evaluation, prepared by the FDIC; and comments received from the public relating to our performance in helping to meet community credit needs, as well as our responses to those comments. You may review this information today.

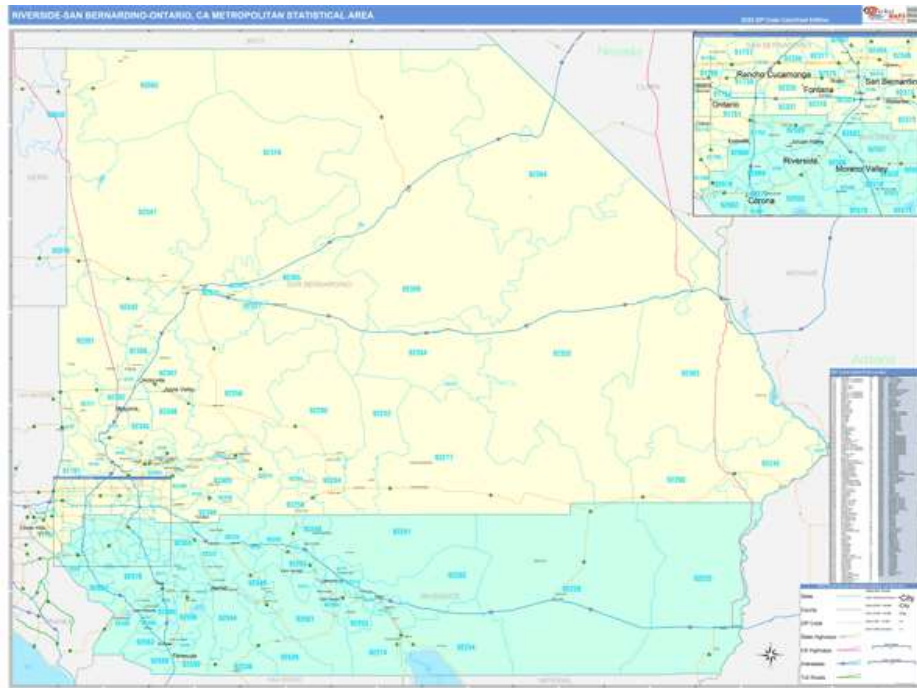

At least 30 days before the beginning of each quarter, the FDIC publishes a nationwide list of the banks that are scheduled for CRA examination in that quarter. This list is available from the Regional Director, FDIC, San Francisco Regional Office, 25 Jessie Street at Ecker Square, Suite 2300, San Francisco, California 94105.

You may send written comments about our performance in helping to meet community credit needs to Chief Executive Officer, Icon Bank, [Address TBD], and FDIC Regional Director. You may also submit comments electronically through the FDIC's Web site at [www.fdic.gov/regulations/cra](http://www.fdic.gov/regulations/cra). Your letter, together with any response by us, will be considered by the FDIC in evaluating our CRA performance and may be made public.

You may ask to look at any comments received by the FDIC Regional Director. You may also request from the FDIC Regional Director an announcement of our applications covered by the CRA filed with the FDIC.
